### **NEW MEXICO EMERGENCY MANAGEMENT ASSOCIATION (NMEMA)**

The New Mexico Emergency Management Association, NMEMA, is dedicated to serving the emergency management community by offering opportunities for networking, development of professional standards, conducting trainings, and fellowship. NMEMA hosts an annual emergency management conference in the late summer/early fall to bring together New Mexico's emergency managers, responders, and support professionals in the emergency management field. All local, county, state, federal, military, public, private and volunteer organizations participate in order to share the latest information in emergency planning, trainings, and technology and to review disaster response and recovery.

## **New Mexico Emergency Management Association**

Preparing for Tomorrow.  
Responding Today.

# WHO IS NMEMA?

NMEMA is a professional association consisting of emergency management personnel from within New Mexico. NMEMA is not just for emergency managers...

- ◆ The NMEMA provides **leadership and expertise** in comprehensive emergency management.
- ◆ The NMEMA serves as a vital emergency management **information and assistance resource**.
- ◆ The NMEMA advances **continuous improvement in emergency management** through strategic partnerships, innovative programs, and collaborative policy positions.

## NMEMA Districts

In order to facilitate communication and provide assistance to local emergency managers the NMEMA has established four Emergency Management Districts. Each District is headed by a District Coordinator. The District Coordinators are experienced Emergency Managers who will provide guidance and information for the emergency managers in their districts.

### District 1

Don Cooper, San Juan County

### District 2

Dwayne Merritt, Rio Arriba County

### District 3

Delia Cervantes, Doña Ana County

### District 4

Teresa Barncastle, Chaves County
